## STATEMENT OF OBJECTS AND REASONS

Under the rules made under section 21 of the Indian Post Office Act, 1898, articles containing lottery tickets or proposals relating to lotteries other than lotteries organised or authorised by the Government of India or a State Government, if detected during the course of their transmission by post, have to be returned to the sender. The increase in the number of such postal articles renders it necessary that postal authorities should be empowered to destroy such articles in the same manner as certain other objectionable articles are destroyed under section 23. Specific power in this behalf has to be vested in the postal authorities by an amendment of the Act. Hence the present Bill.

LAL BAHADUR.
